Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended based on Amendments filed on 04/17/2006 to correct the following informality:

Claim 1, line 7, delete **—so as to generate—**.

Claim 11, line 12, delete **—a—**.

Claim 11, line 14 (2 places), after "command file of" insert **—the group of—**.

Reasons for Allowance

Claims 1 – 15 are allowed over the prior art of record. An examiner's statement of reasons for allowance is given in the following:

Claims 1 – 15 are allowed because the prior art does not teach or fairly suggest the following subject matter:

- A method for generating a command file of a group of design rule check (DRC) rules for being used by a layout verification tool to verify a design on an integrated circuit, the method comprising combining program codes extracted from a plurality of modules to form a corresponding command file of the group of DRC rules to be run by the layout verification tool to verify the design of the integrated circuit in combination with other limitations as recited in independent **Claim 1**;
- A method for generating a command file of a group of layout versus schematic (LVS) rules and layout parasitic extraction (LPE) rules to be used by a layout verification tool to verify a layout and parasitic characteristics of an integrated circuit, the method comprising combining program codes extracted from a plurality of modules to form a corresponding command file of the group of LVS/LPE rules to be run by the layout verification tool to verify the layout and parasitic characteristics of the integrated circuit in combination with other limitations as recited in independent **Claim 6**;
